Fred & Marie Miller Pavilion
between St. John's and Mission Ridge
3940 Rimrock Road

New Parking for 2009!

The main concert parking area with shuttle service is now located on our south campus. It includes the parking lots at the Lillis Center and the field across Mission Way from the Lillis Center. The 38th Street parking area is still available, but the lot is not staffed and shuttle buses will not run to this lot.

- All north campus parking is reserved for handicapped guests.
- A curbside drop-off and pick up is set up for your convenience at the north edge of Town Square.
- A new parking area will be used this year, and the main entrance to this lot will be Poly Drive off of Shiloh Road.
- Use the Rimrock Road entrance only if you are using the curbside drop off or using handicap parking.
